

**Global Vision
For Technical
Solutions**

COOPER Tools

Advanced technical solutions and superior performance...worldwide.

Technology and Capability CooperTools provides its customers with the best technical solutions and service they require by offering a wide range of products. For over a century, we have been expanding our global presence and product offering. Providing choices that our customers expect and deserve. Our global coverage strengthens our partnership with customers requiring world-class technical solutions.

With 8 plants, 11 Sales & Service Centers worldwide and over 1,800 dedicated employees, CooperTools can meet any technical or product challenge with effective solutions, wherever they may be required. Our broad offering of application oriented products, the teamed experiences of our engineers and designers, our quality-conscious production and service personnel, together with the results of our research and development programs, enable us to provide meaningful productivity gains and service to our customers.
