HEAVY-DUTY GENERAL INFORMATION

MILWAUKEE DISTRIBUTORS:

MILWAUKEE Electric Tools are sold only through Authorized Distributors with experienced personnel to assist you in selecting the proper tools for your specific requirements and that maintain well-balanced inventories of tools for fast delivery.

Look for your nearest **MILWAUKEE** distributor in the Yellow Pages—under "Tools - Electric."

Or visit our website www.milwaukeetool.com and click on **Where to Buy**

LISTED:

MILWAUKEE Heavy-Duty Tools bearing the monograms of Underwriters' Laboratories, Inc., or Canadian Standards Association are listed by their testing laboratories as having complied with their standards for safety. Milwaukee Electric Tool Corporation certifies that all tools comply with O.S.H.A. and U.L. requirements.

MILWAUKEE MOTORS:

All MILWAUKEE corded tool motors are universal type and will run equally well on DC or AC (20 to 60 Hz) except those used on Bench Grinders, Water Pumps, Vacuum Pumps and Hoists. Tools with switches or controls requiring AC operation are indicated as "AC" or "AC Only" under the tool's specifications.

GENERAL INFORMATION:

The Milwaukee Electric Tool Corporation reserves the right to make any change or improvements to its products without incurring any liability or obligation whatever and without being required to make any corresponding changes or improvements in products previously manufactured or sold.

OPERATING INSTRUCTIONS:

An operator's manual is furnished with each MILWAUKEE Electric Tool. Please read it carefully for best care and performance. **IMPORTANT—Pay particular attention to all safety warnings before operating any power tool.**

HORSEPOWER:

Horsepower ratings in this catalog refer to the **maximum** horsepower output developed by the tool and not the power developed at rated current.
